Jolly Barooah, a free spirited architect with project experiences in comprehensive Architecture design services ranging from feasibility design, planning and zoning, construction documentation, project management and contract administration for a broad range of projects encompassing markets for agricultural, livestock and horticultural produce, post harvest facilities of pack houses, controlled atmosphere warehouses and processing units, rural infrastructure, mixed use residential and commercial projects, educational facilities, administrative complexes and the hospitality sector.

# SHUBHADA CHAPEKAR & Member, National Architectural Council, WICCI

## BIO :-

An alumni of Sir J J College of Architecture (1991), now in the field of Architectural education. I have worked with some renowned architects in Mumbai in my formative years and as free-lancer worked mainly on interior design projects in Mumbai. I had the distinct pleasure and rare opportunities to have lived in places like Lonavala, Jalna, Gandhidham (before the earthquake), a tiny hamlet called Jaleswar in Orissa and also big cities like Mumbai, Pune and Muscat in Oman, due to my husbands work in road construction.

# SUPPORTED BY
