Priscila Vanessa Mora Alvarez, born in Loja- Ecuador at the age of 26, is a young activist on issues of development, inclusion and empowerment of youth and people with disabilities. She is currently Executive Director and Co-Founder of the HandEyes Foundation, which is dedicated to developing inclusive technology and training projects for the empowerment and visibility of people with visual disabilities. HandEyes has been awarded national and international awards such as An Idea to Change the History of History Channel and Champion at the United Nations World Summit on the Information Society Awards.

She is one of Young Iberoamerican Leaders 2019, Fellowship awarded to the 30 more talented young leader of the 23 Iberoamerican countries (more than 4000 applicants) of Carolina Foundation. She is been the only representative of Ecuador in the We Xchange- Women in Stem Entrepreneurs Forum with full scholarship awarded by the IDB and Xcala-IDB LAB in November 2019. She has been an speaker in several events like: Women Economic Forum LATAM(WEF) in Cartagena-Colombia and Americas Accessible by the International Telecommunication Union of United Nations.

Currently she is also the Regional Director of the Hult Prize Foundation in Ecuador. In addition, he has experience in the Young Americas Business Trust of the Organization of American States in Washington D.C. and at the Embassy of the Republic of Ecuador in Mexico. In addition, she served as Director of Operations and is currently a member of the Corporation for the Development of Entrepreneurship and Social Innovation-CODEIS, an Ecuadorian non-profit corporation in which she develops, coordinates, operates and executes national and international entrepreneurship projects for young boys.

Priscila currently also serves as Assistant Secretary of the Department of National Development of the United Nations Association of Ecuador. In addition, he is the representative of Ecuador of the Youth Network of the Americas with which he attended the Youth Forum of the Americas, OAS Lima-Peru in March 2018 and is part of the Allies Network 2030, a network that was formed from the meeting International Youth for the 2030 Agenda, organized by IMJUVE, in Acapulco Mexico.

Aurora Vinueza,, General Manager of the CAM-ISM Corporation, Principal of the ISM International Academy, member of the Mesa Panamericana de la Paz Foundation and co-founder of the ISM Letra Para Todos Foundation.

Education has the power to build a better human being and, therefore, a better world; because not only is a student instructed and educated, but also the life of the entire educational community is influenced. Aurora's biggest motivation is to know that what she does transcends generations.

Her educational background is diverse in both majors, as well as location. Aurora received her B.S. in marketing and finance, graduating Magna Cum Laude from Long Island University (New York / USA). Eager to continue her studies, she enrolled in the MBA program with a focus on strategy from the Tecnológico de Monterrey (ITESM), a well respected Mexican institution.

Aurora started her career in the financial industry, working for some of the largest banks and receiving numerous recognitions for her commitment, leadership and tenacity. Back in 2005, Aurora and her family made the decision to return to her homeland to contribute to a family business dedicated to education.

Aurora has contributed not only to the family business, with her career expertise, but also to the broader community. Amongst the many extracurricular activities, she engaged in one of the most rewarding has been that with the catholic community and Junior Achievement entrepreneurial development programs.

As an avid believer that education and improvement is continuous, she keeps her collaborations and knowledge growing. She speaks at numerous events on topics such as the power of family values, the role of a woman in society and more.
